About the Conference

The IEEE International Conference on Computational Intelligence Systems and Devices (ICCISD-2026), organized by the Department of Computer Science & Applications, Sharda School of Computing Science & Engineering, Sharda University, Greater Noida, aims to provide a premier platform for researchers, academicians, industry professionals, and students to share their latest innovations, research findings, and developments in the domain of Computational Intelligence, Smart Systems, and Intelligent Devices.

The conference will include keynote addresses by eminent speakers, plenary sessions, technical paper presentations, and panel discussions on cutting-edge topics in computational intelligence and its interdisciplinary applications.

Conference Tracks

Authors are invited to submit original research papers in standard IEEE conference template under the following tracks:

1. Neural Networks, Deep Learning, and Reinforcement Learning
2. Fuzzy Systems, Evolutionary Computation, and Hybrid Intelligence
3. Intelligent Devices, Embedded Systems, and IoT Applications
4. Robotics, Automation, and Human–Machine Interaction
5. Signal and Image Processing using Computational Intelligence
6. Cybersecurity, Data Privacy, and Trustworthy Systems
7. Computational Intelligence for Sustainable Systems and Devices

Publication

All accepted and presented papers will be submitted for inclusion into the IEEE Xplore®
Digital Library, subject to meeting IEEE Xplore's scope and quality requirements.

Important Dates

Paper Submission Deadline	January 12, 2026
Notification of Acceptance	March 8, 2026
